✦ State Law banning the floridation of the nevada water supply. Denise had brough this up before. She might help with this.

✦ A State Law restricting or banning both GMO production and the sale of 3D-printed or lab- grown meat

✦ A State Law banning data centers from Nevada. They put a heavy strain on our water and energy supply.

✦ State Law banning unauthorized geoengineering and chemtrail activities.

➡ Used for Internation/business documents to put under Nevada Law or Public Law.

➡ Like all the many ones Craig did.

➡ (attachments). here are a few

1. 01-Entity Notice.pdf
2. 02-Nevada Fee Schedule
3. 03-Supreme Court Notice
4. 04-GEO-Engineering-Lien-Filed-10-02-24 - Sue did this one!!!

➡ Just like your precious Ex parte Milligan has the Embossed Seal.

➡ In the many emails you wrote, you ask people to run their governemnt.

➡ And that exactly what I'm going to have all of us do.

➡ To stop the poisoning of our food,water, air and soil.

➡ The fact I even have to say this, is crazy.

➡ And any issues that people want a resolution or remedy.

➡ Rockie, the domain name is hard to remember.

➡ The (dot)land doesn't make or break the assembly, or identifies us as defacto or not.

➡ The (dot)com is the most popular becuase it's easy to remember.

➡ ClarkCountyNevadaAssembly.com is easy to remember, includes Clark County (us) as well as Nevada Assembly (the business side of it)

➡ Again, I will explain everything to everyone, and as much as you say this.

➡ Everyone will have the chance to vote on these major issues, again which will provide some relief, since no relief seems to be coming.

➡ We can modify or add even more issues.

➡ I was even thinking of maybe implementing the way the Japanese teach thier children responsibility & respect during school years. We need that in Nevada, as well as the whole country.

➡ And just a friendly reminder, coordinator are not supposed to interfear with Committees/voting or vaguely persuading one way or another.

➡ The people will have a chance to ask question and vote.

The Lord's Prayer King James Version (KJV)

🌍 9 Our Father which art in heaven, Hallowed be thy name.

🌍 10 Thy kingdom come, Thy will be done in earth, as it is in heaven.

🌍 11 Give us this day our daily bread.

🌍 12 And forgive us our debts, as we forgive our debtors.

🌍 13 And lead us not into temptation, but deliver us from evil:

🌐 For thine is the kingdom, and the power, and the glory, for ever. Amen.

What is it you want to put the seal on?

Why did you get that domain when we already have the theclarkcountynevadagov.land?

How does the clark county domain help with what is said in the email?

How would it solidify anything with The Nevada Assembly?

👉 Don't forget about my email about voting on the issues to use the Nevada seal.

👉 Also, I purchased the domain clarkcountynevadaassembly.com.

👉 We can vote to use this domain. Which will help with what is said in the email.

👉 Rockie can transfer everything to that domain, which will solidify who is the nevada assembly

This is a **reminder** of the **Nevada Assembly Business Meeting. (The State of the Union) on Saturday the 27th at 6:00 p.m.** There will not be an Union State Meeting this Saturday because there is just too much to go over for the State.

Meeting link is : <https://join.freeconferencecall.com/rockier>

We will do as Anna said, to stop the confusion on what meeting is what. Anna has said in an email to Rockie and Sue to stop the confusion, we refer to The Nevada Assembly as the State of the Union. From now on, I will be keeping Anna's wishes and from now on, I will be using the State of the Union for The Nevada Assembly.

Here is a [link to the Militia Meeting](#) held on 6-17-2027 please watch this video and go through the [transcript](#) that was made from the video. We will be talking about this information.

There will be some training on how to build and run an assembly. This information keeps changing as Anna learns new information or new procedures come up that need to be changed. There have been so many changes in the last year we need to get caught up so we understand the process and who the People or the State of the Union is. (The Nevada Assembly)

We will be talking about when and at what time the **Fictitious Firm Name for The Nevada Assembly** was created and

who is the Sole Proprietor or Recorded Lawful Entity of the name. The record needs to be set straight on who owns and is allowed to use the name "The Nevada Assembly". There has been allegations made about the assembly and who owns it. Let's make this clear once and for all.

If you live in Nevada and have your paperwork done, then this meeting is for you. Please come and make your voice heard in building the State of the Union.
