Call to Assembly: by TNA

Bivens Decision: Rockie

Purpose for meeting or meeting name: The Nevada State and Counties Assembly

This meeting is called in honor of the people who are owed a republican form of government and peaceably assemble to restore their government. Your mindful comments are welcome. We welcome any additions you wish to have placed on the agenda. Be it known we believe in a transparent government and a vibrant discourse, therefore if you speak in public and are not in honor you can be held liable for your discourse and actions.

These are the current topics and where we need to go to get things moving again.

1. Talk and maybe vote on the voting committee. We set up 4 people to be voted on to the elections committee. A ballot will go out to vote on Mark, Robert, Denise, and Aaron if you want any on them on the election committee. We also talk about creating The Nevada Assembly election software. Before it is done, we will use email voting to elections@thenevadaassemblygov.land
2. Talk about the change in how meeting agenda is created. After the elections committee is created and work there will be vote on what is on the agenda and what is allowed to be talked on in the meeting.

3. Go over the current Org or seating chart. Tamara went over the org chart, and we only have the coordinator, Sheriff, corner, recording secretary, outreach and possibly the litigation committee's standing.
4. Go over Anna's article for last week. Please read not much said here.
5. LRO updates and changes. Rockie talked about how we need to keep all hardware and software in the control of the Nevada Assembly because again a vendor has blocked the port need to finish the LRO software. Everything has been moved to the file server to host the web site.
6. Banking update and GFG power point. There was a lot of talk about banking and please watch the video of Anna talking about banking and the dashboard coming soon.

7. 928's and building the Jural Assembly. Org Chart update. There was talk about still doing the 928's when Anna has said the 1779's are enough to hold position in the assembly.
8. Everyone needs to be more involved with the assembly.
