We haven't received your 2024 Form 1040 federal income tax return

What you need to do

File your 2024 return. Scan the QR code to the right or visit [IRS.gov/filing](https://irs.gov/filing) for more information about filing.

- Consider electronically filing your return. Visit [IRS.gov/efile](https://irs.gov/efile) for more information about electronic filing options.

You may disregard this notice if you already filed, however if you filed electronically, check to ensure your return has not been rejected.

How to make a payment

If you owe, pay your balance online. Visit [IRS.gov/payments](https://irs.gov/payments) on a computer or mobile device. Paying online is convenient, secure, and ensures timely receipt of your payment.

- Pay online directly from your bank account
- Pay with your credit card, debit card, or digital wallet

If you can't make a payment online, you can mail us your payment. Make sure your check, money order, or cashier's check is payable to the U.S. Treasury.
