Ballot Instructions:

Vote for the individual(s) you want in the committee. By filling in completely the oval to the left of their name.

If you make a mistake, do not try to erase the oval, and instead draw one horizontal through the mistaken selection and fill in your correct choice.

If you do not wish to vote for either candidate, simply select abstain.

If you think you have completely messed up your ballot tear it up and reprint another copy. All ballots need to have your name printed on them to be considered and not VOIDED.

Print name on the ballot on the above line to make it official
