- Telegram channel: <https://t.me/+vwQ34hVdHf84YmNh>

## **Coordinator Update:**

- (From Jeannine) Tony on Telegram channel June 28, 2026, has stated for ALL those with a GFG account to login to your Master account--which is the primary one, and get a screenshot of your account information, then save and download it to your computer or external device. This is sound advice. You should be doing this on a regular basis and keep a backup of all records. Notice shared through "Amethyst":  
<https://drive.proton.me/urls/AXVT1Z81CR#4Zsfjdu9Ladv>
- Have a fun and safe Fourth of July. We're in Vegas and we'll be hanging out at the top of one of the resorts on the strip. Let me know if you want to come hang out.

## **Other important Items:**

- Priorities: Focus on building our four state pillars. There is one Nevada Assembly. There has been an effort to cause confusion and distract us from building our Assembly. Don't let anyone disrupt or confuse you. Let the troublemakers destroy themselves and focus on the positive. We are making progress despite the challenges.
- Spreading rumors, posting inflammatory rhetoric on public forums, making accusations without evidence, and name calling are what the disruptors have been doing for over a year now. This is not in keeping with our Nevada Assembly values. Ignore these bad actors- yes they are actors. Not worth your energy.

**Adjourned until next Business meeting on August 5<sup>th</sup>, 2026 at 6 pm.**
